## Super Summer

May was busy with a few meetings. We focused a lot of time getting ready for Vacation Bible School at our home church. Sara and many others got the decorations, prizes, power-points, and many other details ready. We had lots of help from members and had a great week.

We also were able to check a few more things we needed for our visas off the list. Thank you for praying for us about that. We are still waiting for some more information to come back to us.

I had a wonderful week at the church planting conference. I learned a lot and was motivated to

start using the information now!

Our meetings in June went well and we are looking forward to the next couple of months of meetings. Thank you for our prayers for our support, we still need 24%!

Our family has some other special news—Sara is pregnant! Our little one is due mid-November. Everything has been going very well, please pray for our growing family!

## Family News

Marshall and Meredith are having a fun summer. They play outside a lot, they get to dig and run and swing!

Marshall got a new Bible—he says since it's big he can read it now. Meredith is learning how to be a big girl and getting to help and do more things. They are both looking forward to the new baby coming soon!
